You are invited to come to the afternoon session if you are an experienced contra dancer.

So, What does 'experienced' mean?

Experienced means:

- ◆ You know figures such as roll away, California twirl, pass through to a wave, contra corners, & the basic moves without being taught
- ◆ You know where to be at the start of each dance phrase and how to recover from a lapse
- ◆ You assist your partner and neighbor to the next move
- ◆ You execute flourishes safely & on time without disturbing others

Lisa Greenleaf

From Boston, MA.

If Lisa's leading it, it's not a workshop it's a *PLAYSHOP!*

Particularly skillful at calling to the level of the dancers, she'll be showing us how to achieve dance ecstasy through simple points of style as well as leading challenging and no-walkthrough sessions.

Lisa's playful style makes everyone feel welcome. Her wide knowledge of traditional and modern dances (both contras and squares) and her community-building style put her in high demand at camps around the country.

The Moving Violations

From Greenfield, MA.

Van Kaynor, Ron Grosslein, & Peter Butcher are known for their playful energy that transcends borders of countries and encourages spontaneity and improvisation.

Driving double fiddle harmonies, strong rhythm, affectionate abandon and occasional silliness prevail.

Original compositions as well as Celtic, Eastern European, Swedish, Klezmer, and Classical are all fair game for The Moving Violations.

It's hard to stop smiling when Lisa's calling!
